NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

#### MANAGEMENT'S RESPONSIBILITY STATEMENT

The accompanying consolidated financial statements of Atikameksheng Anishnawbek are the responsibility of management and have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in Note 1 to these consolidated financial statements. The preparation of the consolidated financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Atikameksheng Anishnawbek's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Chief and Council meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by Freelandt Caldwell Reilly LLP, independent external auditors appointed by Atikameksheng Anishnawbek. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on Atikameksheng Anishnawbek's consolidated financial statements.

#### INDEPENDENT AUDITORS' REPORT

### To: The Members of the Atikameksheng Anishnawbek

### Opinion

We have audited the consolidated financial statements of Atikameksheng Anishnawbek, which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations and accumulated surplus, changes in net assets, and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Atikameksheng Anishnawbek as at March 31, 2020, and its financial performance and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Matters

The financial statements for the year ended March 31, 2019 were audited by another firm of Chartered Professional Accountants who expressed an unmodified opinion on those financial statements on July 29, 2019.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Consolidated Financial Statements

March 31, 2020

Atikameksheng Anishnawbek is a First Nation that, under the direction of its Chief and Council and management, operate various programs for the benefit of its members including municipal services, health services, economic development, housing, education, and other services.

### 1. Significant accounting policies

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards for local government entities established by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. The significant accounting policies are summarized as follows:

### (a) Reporting entity and basis of consolidation:

These consolidated financial statements include the assets, liabilities, accumulated surpluses/deficits, revenues and expenses of the entities that have been determined to be accountable to Atikameksheng Anishnawbek ("the First Nation") and are either owned or under the control of the First Nation.

The consolidated financial statements include the assets, liabilities, and results of operations of the following entities:

#### 1988183 Ontario Limited

Government business enterprises are accounted for using the modified equity method of accounting. The business enterprise's accounting principles are not adjusted to conform with those of the First Nation and inter-organizational transactions and balances are not eliminated. The investments in the Bagone'an JS Drilling Inc. and Eshkaa Niibiish-Day Inc. are accounted for using this method.

Other investments in non-controlled entities are recorded at the lower of cost and net realizable value and include the investment in Ontario First Nation Sovereign Wealth Limited Partnership and Ontario First Nations Asset Management GP Corp.

### (b) Basis of accounting:

Revenues and expenses are reported using the accrual basis of accounting. Revenues are recognized as they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Notes to the Consolidated Financial Statements

March 31, 2020

### 1. Significant accounting policies, continued

### (c) Tangible capital assets:

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to the acquisition, construction, development or betterment of an asset. The First Nation provides for amortization using the straight-line method designed to amortize the cost, less any residual value, of the tangible capital assets over their estimated useful lives. The annual amortization rates are as follows:

| Buildings                    | 40-50 years |
|------------------------------|-------------|
| Water & Sewer                | 50 years    |
| Roads & bridges              | 30-40 years |
| Computer hardware & software | 4 years     |
| Vehicles and heavy equipment | 5-15 years  |
| Solar park                   | 25 years    |

Assets under construction are not amortized until they are put into use.

### (d) Impairment of long-lived assets:

The First Nation performs impairment testing on long-lived assets held for use when events or changes in circumstances indicate an asset no longer contributes to the First Nation's ability to provide goods or services, or the value of future economic benefits is less than its net book value. If these facts are present, the asset will be written down to it's estimated residual value.

### (e) Revenue recognition and deferred contributions:

Revenues from government grants and contributions are recognized in the period that the events giving rise to the government transfer have occurred as long as: the transfer is authorized; the eligibility criteria, if any, have been met; and the amount can reasonably be estimated. Funding received under the funding arrangements, which relate to a subsequent fiscal period and the unexpended portions of contributions received for specific purposes are reflected as deferred contributions in the year of receipt and are recognized as revenue in the period in which all of the recognition criteria have been met. Other revenues are recorded on the accrual basis when earned and the amount can be reasonably estimated and collection is reasonably assured. Revenue related to rental, fees and services are recognized when the fee is earned or the service is performed.

Notes to the Consolidated Financial Statements

March 31, 2020

### 1. Significant accounting policies, continued

#### (f) Use of estimates:

The preparation of the consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities at the date of the consolidated financial statements and reported amounts of certain revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty. The effect of changes in such estimates on the consolidated financial statements in future periods could be significant. Amounts specifically affected by estimates in these consolidated financial statements are certain accounts receivable, allowance for doubtful accounts, estimated useful lives of tangible capital assets, certain deferred contributions, amounts repayable to certain funders and fair value determinations.

### (g) Asset classification:

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in the normal course of operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.

#### (h) Financial instruments:

Measurement of financial instruments

The First Nation initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument. Amounts due to and from related parties are measured at the exchange amount, being the amount agreed upon by the related parties.

The First Nation subsequently measures its financial assets and financial liabilities at amortized cost, except for investments in equity securities that are quoted in an active market, which are subsequently measured at fair value. Changes in fair value are recognized in operations.

Financial assets measured at amortized cost include cash, restricted cash, consolidated revenue fund, accounts receivable, short-term investments.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, First Nation Finance Authority debt and long-term debt.

Notes to the Consolidated Financial Statements

March 31, 2020

#### 2. Restricted Cash

### a) CMHC replacement and operating surplus reserves

Under the terms of agreements with Canada Mortgage and Housing Corporation ("CMHC") amounts are to be credited annually to replacement reserves and, where applicable, may be credited to the subsidy surplus and operating reserves. These funds must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by Canada Mortgage and Housing Corporation. Withdrawals are credited to interest first and then principal.

### b) Ontario First Nations (2008) Limited Partnership reserves

The balances held in this account relate to funds received from the Ontario First Nations (2008) Limited Partnership and remain unspent at the end of the year.

### c) First Nation Finance Authority reserve

Under the terms of the agreement, funds are held in reserve related to a loan from First Nation Finance Authority and are held by the Finance Authority.

|  | 2020                                  | 2019                                  |

| Provision due to potential loss of funds           | (26,939)        | (28,336)        |
| Allowance for doubtful accounts                    | (495,056)       | (409,978)       |
|  | \$<br>1,705,806 | \$<br>1,366,927 |

### (i) Allowance for doubtful accounts

The First Nation records an allowance for doubtful accounts on member receivables based on the following formula, unless specific facts are otherwise known and would require a further allowance:

Current to 30 days -0%
31 to 60 days -30%
61 to 90 days -60%
Over 90 days -100%

### 5. Funds Held in Trust by Indigenous Services Canada

Funds Held in Trust by Indigenous Services Canada arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

| - Mari                              | \$<br>3,418,838 | \$2,296,416 |

### 8. First Nation Finance Authority debt

First Nation Finance Authority debt consists of interim financing previously received in the amount of \$4,000,000. The interim financing bears interest at 3.41% and 3.75% per annum and is secured by the Ontario First Nations Limited Partnership revenue stream of the First Nation. The total amount authorized by First Nation Finance Authority for Business Park Development, Solar Park, Reserve road improvement and sewer main connection projects is \$8,000,000. When the total amount authorized for each of these projects is drawn upon, the estimated annual principal repayment will be approximately \$595,431 plus interest over 20 years.

The total loan outstanding as of March 31, 2020 is \$3,828,967 with an externally held debt reserve fund of \$236,303 by the First Nation Finance Authority.

Estimated principal re-payments, assuming renewal under similar terms and conditions, are as follows:

| 2021             | 153,691      |
|------------------|--------------|
| 2022             | 153,961      |
| 2023             | 153,961      |
| 2024             | 1,297,334    |
| Subsequent years | 2,070,560    |
|                  | \$ 3,828,967 |

|                               | \$5,344,203 | \$ 4,536,086 |

Notes to the Consolidated Financial Statements

March 31, 2020

### 11. Contingent liabilities

#### a) Loan guarantees:

The First Nation has guaranteed Canada Mortgage and Housing Corporation loans made to various members under the Rural Rehabilitation Assistance Program and is contingently liable for unpaid amounts. The amounts of loans outstanding at March 31, 2020 is \$1,097,994 (2019 – \$1,439,195).

Indigenous Services Canada has guaranteed loans to various members with a balance remaining of \$2,766,507 (2019 - \$2,713,131). If any loans are in default and require payment by the Department, the amount paid will be charged back to the First Nation.

### b) Government funding:

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various government agencies. Should these audits result in recoveries of grants, the amount of these recoveries would be recorded in the accounts in the year in which they are determined.

### c) Contingencies:

The First Nation is defending a legal actions brought by former employees alleging wrongful dismissal, with damages of in the amount of \$255,000. The First Nation believes that any loss resulting from this action is not likely and limited to less than \$255,000. Therefore, no accrual for losses relating to the above have been recorded in these consolidated financial statements. If this should change, a provision for loss will be recorded in the period in which it is known and can be reliably measured.

### 12. Economic dependence

The First Nation has a funding arrangement with Indigenous Services Canada which provides funds to administer operations and provide services to its members in accordance with the terms of the funding arrangement.

As this funding arrangement provides the First Nation's major source of revenue, its ability to continue viable operations are dependent upon maintaining these funding arrangement which are guaranteed through treaty.

Notes to the Consolidated Financial Statements

March 31, 2020

#### 13. Financial instruments

Transactions in financial instruments may result in an organization assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of the consolidated financial statements in assessing the extent of the risk related to financial instruments. The First Nation is exposed to the following risks in respect of certain financial instruments held:

#### Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The First Nation's main credit risk relate to its cash, restricted cash and accounts receivable.

Credit risk associated with cash and restricted cash is minimized by ensuring these financial assets are placed with financial institutions with high credit ratings.

The First Nation is exposed to credit risk through its accounts receivables and band member loans of \$1,705,806 (2019 - \$1,366,927), exposure level is low and unchanged from the prior year.

### Liquidity risk

The First Nation is exposed to liquidity risk in the accounts payable and accrued liabilities of \$1,794,307 (2019 - \$1,817,271). Liquidity risk is the risk that the First Nation cannot repay its obligations when they become due to its creditors. The First Nation reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due and maintains adequate assets in order to repay creditors when required.

### 14. Contribution arrangement funding provided by Indigenous Services Canada

\$4,952,896 in funding was provided to the First Nation by Indigenous Services Canada. In the current year \$435,776 of the funding has been provided under set contribution funding. As a result, of COVID-19, Indigenous Services Canada has provided for set contributions to become fixed contributions for this year and must be used before March 31, 2021. All other amounts received are received under Block, Fixed or Grant funding arrangements and are allowed to be carried forward into the next fiscal year where surpluses have occurred.

Notes to the Consolidated Financial Statements

March 31, 2020

### 15. Employee Future Benefits

The First Nation provides a defined contribution plan for eligible employees who have completed one year of service. Contributions are discretionary and are based on a participants' contributions up to a maximum of 5%. Employer contributions to the plan by the First Nation in the year amounted to \$91,900 (2019 - 76,446). Employer contributions match the employee's contributions for current service and are expensed during the year in which the services are rendered and represent the total pension obligation of the First Nation.

### 16. Contractual rights

### **Ontario First Nations Limited Partnership:**

Commencing with the 2012 fiscal year and in each fiscal year thereafter during the initial and renewal terms of the agreement between the Province of Ontario Fist Nation Limited Partnership ("OFNLP"), the Province of Ontario shall pay to the OFNLP 12 monthly payments equal to one-twelfth of 1.7% of the aggregate provincial gross gaming revenues. OFNLP then distributes to the First Nation its share of these revenues according to a formula used for that purpose. The use of these funds, according to agreements, is restricted to community development, health, education, cultural development and economic development.

The First Nations holds one unit in the Ontario First Nations Limited Partnership and a share in a related company Ontario First Nations General Partner Inc. – the carrying values of which are nominal and are therefore not recorded in these financial statements.

### Ontario First Nations Sovereign Wealth Limited Partnership:

On December 28, 2017, the Ontario First Nations Sovereign Wealth Limited Partnership ("Sovereign Wealth LP") entered into an amended and restated limited partnership agreement whereby the First Nation and 128 other participating First Nations were concurrently admitted. Sovereign Wealth LP distributes to the First Nation its proportionate share of the revenue granted in the partnership.

The First Nation holds a unit representing 0.6196% interest in the Ontario First Nations Sovereign Wealth LP, and a share in a related company Ontario First Nations Asset Management General Partner Corp.

Notes to the Consolidated Financial Statements

March 31, 2020

#### 17. COVID - 19

The COVID-19 global outbreak was declared a pandemic by the World Health Organization in March 2020. The negative impact of COVID-19 in Canada and on the global economy has been significant. The global pandemic has disrupted economic activities and supply chains resulting in governments worldwide, and in Canada, enacting emergency measures to combat the spread of the virus and protect the economy.

These financial statements have been prepared based upon conditions existing at March 31, 2020 and considering those events occurring subsequent to that date, that provide evidence of conditions that existed at that date.

Although the disruption from the pandemic is expected to be temporary, given the dynamic nature of these circumstances, the duration and severity of the disruption and related financial impact cannot be reasonably estimated at this time. Government interventions and public health authority recommendations have resulted in changes to how and what the First Nation delivers to its members. The Chief and Council and management of the First Nation will continue to monitor the situation and adjust as it sees necessary to maintain the health and safety of its employees and members.

At this time, the full potential impact of COVID-19 on the First Nation is not known.

### 18. Tangible Capital Assets

The tangible capital asset reconciliation is included in Schedule 1.

No amortization has been recorded on assets under construction as they have not been completed for use as at March 31, 2020.

### 19. Comparative Figures

Certain comparative figures have been reclassified to conform with current year's operations.

Notes to the Consolidated Financial Statements

March 31, 2020

### 20. Segmented information

Atikameksheng Anishnawbek is a diversified government institution that provides a wide range of services to its members, including band support, health services, community infrastructure, economic development, education, social development, community services, housing, and other services. For management reporting purposes the First Nation's operations and activities are organized and reported by fund. Funds are created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide and are as follows:

#### Administration

The administration and governance function is responsible for carrying out all general band related services and oversees all governmental services. This includes the setting of policies and procedures to be carried out throughout the First Nation's operations as well as overseeing the financial reporting activities of each department. The band government function also includes the activities of the Chief and Council.

#### **Education**

The education department is responsible for education management services to the members of the First Nation as well as overseeing various, including operation of the library on behalf of the community, and the well-being of the children of the community.

#### **Health Services**

The health services department is responsible for the well-being of members and oversees the management of health and long-term care programs as well as programs for diabetes, fetal alcohol syndrome, mental health, smoke free programs, traditional healing, and training designed to enhance the health of community members.

#### **Social Services**

The social services department provides services for the wellbeing of members in need of non-health related support, including income support, home support and the provision of child welfare services.

Notes to the Consolidated Financial Statements

March 31, 2020

### 20. Segmented information (continued)

### Housing

The housing segment provides rental housing to qualifying members of the First Nation.

### Infrastructure and Capital

The infrastructure and capital department provides services for the longevity of the First Nation by through the acquisition, maintenance and management of physical assets for the First Nation.

### **Employment and Economic Development**

The employment and economic development department is responsible for the identification and development of economic opportunities that will benefit the First Nation and its members. It also obtains funding for training and development opportunities to be carried out by its members and the employment of summer students.

### **Band Enterprises**

This department is responsible for the operations of the community centre. The centre provides rentals to community members, administration and other private functions. Other smaller community initiatives operate within this program.

### Lands Management

The lands management department is operated under the First Nation Lands Management Act along with the Atikameksheng Land Code. The program oversees various services for lot allocations, leases and addresses environmental and forestry related activities.

#### **Land Claims**

The land claim functional area provides services for the First Nation to pursue various claims on behalf of the members.

#### Restricted activities and reserves

The restricted activities and reserves functional area includes the management and distribution of funds received from the Ontario First Nation (2008) Limited Partnership as well as funds held in trust in Ottawa by Indigenous Services Canada.
